

I have not seen any of
 your people bar they must be
 busy so much so I do I
 have not heard from Elizabeth
 this ten years. Robbins gave to
 me yknow she lives in my
 house on River Street
 It must be funny without you
 boys I hear from Eleanor
 quite often it must be funny
 to teach children that cant
 talk

My Eyes have not been good

I dont know if you can read
 this letter or not. The Hospital
 is full just now so many
 patients. Remember me to Dr. Donny. I told her I got a
 nice letter from you Aunt Nettie
